KENNETH E. BROOTEN, JR.
COUNSEL

SELECT COMMITTEE ON ASSASSINATIONS
U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

(202) 225-4624

11/24/76 Brooten stopped by my office in the Law Review today. He was in town for a day but didn't have time to talk. He said he would like to get together with me later to talk to me about the JFK case and said he had my letter to Sprague. I told him I'd be glad to talk.
